Campus Study event name has been changed!

Mary Francis and Pam Baldwin have an announcement regarding Campus Study!

Campus Study is no more! Its new name is **Insights Group**. Hopefully, this will clear up the confusion about what the interest group does and focus clearly on what it is really doing, providing insights into things going on in the area from speakers in the know.

Remember that our branch sponsored a scholarship to NCCWSL for an LSU student, **Kaylee Devnzer** from the Horticulture Department? She will speak to us about her experience at the NCCWSL conference: what participants did, what she learned, and how that will help in her career.

Due to Kaylee's classes, we are scheduling this event via **Zoom** on **Tuesday, September 28** at **2:00 p.m.** Send RSVP to Pam Baldwin. You will receive a Zoom invitation about 1 day before the event.

Happy birthday to members who celebrated when there was no newsletter (and last month).
